52D From July 1 to July 15, 1946, [redacted] furnished the following information concerning FITZGERALD's activities. (u)

On July 2, 1946, EDWARD FITZGERALD contacted FRANCES FUCHS advising her he had just returned from New York where he had left his father in a very serious condition and did not know how long he would live. He wanted to know if FRANCES would take care of his daughter KAREN on short notice in case he and REBECCA should have to leave for New York in a hurry. FRANCES advised she would be glad to take KAREN but she could not take SARAH, their maid. FRANCES FUCHS, FRANCES' husband, was making plans to go to the Lawyers Union in Cleveland on July 5, 1946. FRANCES told FITZGERALD she would attempt to get a sitter for that evening, and if she was successful and HERRIE would come over to their house. (u)

FRANCES later contacted REBECCA FITZGERALD and advised her they would be unable to spend the evening with them as she could not obtain a sitter. (u)

Later on the same day EDWARD FITZGERALD was in contact with his mother who advised him that his father was still seriously ill. (u)

On July 5, 1946, HASKELL HALL, a co-worker of EDWARD FITZGERALD, was in contact with FITZGERALD and discussed HASKELL's work at the Commerce Department. HASKELL is apparently taking over ED's job since ED is being transferred up to Secretary WALLACE's office. (u)

On July 8, 1946, REBECCA FITZGERALD was in contact with her maid SARAH to ascertain if GERTRUDE CAMERON was there and was advised she had gone into town about a watch for her husband FRANCIS who had not arrived. (u)

On July 9, 1946, MABEL HEATON contacted ED FITZGERALD to ascertain the condition of ED's father and also requested that he thank REBECCA for the wheelchair. (u)

On July 13, 1946, GERTRUDE CAMERON was in contact with ED FITZGERALD during which time they discussed the condition of ED's father and also the condition of GERTRUDE's husband FRANK who has been ill [redacted] (u)

On July 13, 1946, an individual known to informant as ~~REGGY~~ attempted to contact REBECCA FITZGERALD and was advised she and ED were attending the Watergate Concert. ~~SECRET~~

b2  
b7D On July 15, 1946, [REDACTED] advised ED FITZGERALD attempted to contact HARRY MAGDOFF but was advised MAGDOFF was at the home of IRVING KAPLAN. (u)

b2  
b7D On July 15, 1946, [REDACTED] advised ED FITZGERALD was in conversation with DOROTHY KAPLAN at which time they discussed REBECCA FITZGERALD's health, and ED then advised HARRY MAGDOFF he would not be at the office on the following day. They then discussed some business at the Commerce Department, and ED was advised by HARRY to listen to the program on the radio at 1260 on the dial. This was an interview of EARLY BROWDER. (u)

[RE: ABEL ROLF PLENN] (c) u

It was determined from a confidential source known to Special Agents C. L. BATTEN and FRANK H. STRONG that subject PLENN was currently using study room on Deck A of the Library of Congress for the purpose of doing special research work. This source of information advised that some time during the fall of 1945, ABEL R. PLENN had submitted a request for special research facilities in the Library of Congress. This application was made available to the agents and it indicated that subject, PLENN, stated that the purpose of obtaining these facilities was to continue research on a project on Anthropology, History, Economics and Political Studies concerning Puerto Rico. In the application he stated that it is his purpose to write two publications dealing first with "The People of Puerto Rico" and second, "The History of Puerto Rico". The application also reflected that these booklets were to be published by the Office of Information of the Puerto Rican Government. In the application subject stated that he was associated with the Office of Information for Puerto Rico and that his immediate superior was MAX REGIOFF, Director of Information, La Fortaleza, San Juan, Puerto Rico. As a result of this application, PLENN was assigned a study room, December 5, 1945, but the source of information stated that subject had used the room regularly until some time during May, 1946.

A source of information made available a list of publications which subject had stated he had written in 1946. This list included:

- (1) "Wind in the Olive Trees--Spain from the Inside", published by BONI and GIER, April, 1946.
- (2) "Know Puerto Rico", (Series of Information Folders), published March, 1946, by the Puerto Rican Office of Information.
- (3) "People of Puerto Rico", (Series of Information Folders), published by the Puerto Rican Office of Information, 1946.
- (4) "What Shall We Do About Franco?", (article appearing in the "Churchman", June, 1946.
- (5) "His Name Was Sebastian", (article in "Bookfind News", June, 1946).

A source of information advised that all the reference books which subject was using were concerning Puerto Rico, Latin America and American Foreign Policy. A source of information stated that subject did not keep regular office hours and many times did not appear in the Library for a period of several days.

~~SECRET~~

A review of the book, "Wind In The Olive Trees—Spain From The Inside", appeared in the April 7, 1946, edition of the Evening Star. This review stated that the book was a criticism of American Foreign Policy concerning Spain and stated that only a very small percentage of the people in Spain were in favor of the Franco Regime. The article also stated that a large portion of the book was devoted to the mistreatment of the author because of his attitude toward the Spanish Government while serving in Madrid as a representative of the Office of War Information.

The June 1, 1946, edition of the "Churchman" which is published at 425 Fourth Avenue, New York City, was obtained. On page seven of that magazine is an article entitled, "Franco and Our Own Destiny", which was written by subject, PLENN. This article deals entirely with the continuation of the Franco Regime in Spain and severe criticism of the State Department's policy toward FRANCO.

Records of The Credit Bureau reflect that subject has resided at 1511 Park Road, N. W., Washington, D. C., since October 1, 1941, and that this building is owned by WALTER L. BROWN Realty Company. Report also indicated that subject, PLENN, resided at 618 A Street, S. E. Subject listed as references, Mr. and Mrs. MAX EGLOFF, 1660 34th Street, N. W.

Records of the Stone's Mercantile Agency indicate that subject's occupation was that of free-lance writer for various local and South American colleges.

The indices of the Washington Field Division reflect that MAX A. EGLOFF, 1800 Connecticut Avenue, N. W., was one of the names of individuals contained in the index file of students, teachers, maintenance workers, visitors and friends of the Commonwealth College which formerly was located at Iena, Arkansas. This college was closed by the Arkansas State Authorities.

WALTER L. BROWN, 1415 Eye Street, N. W., stated that subject, PLENN, had occupied Apartment 6 at 1511 Park Road, N. W., since October 1, 1941, at that time subject gave as references, DR. MARJORIE CLARK, Assistant Chief, U. S. Housing Authority and HAROLD GRAYES, Administrator in Charge of Foreign Broadcast Monitoring Service of the Federal Communications Commission. He also stated that PLENN was generally disliked by the other tenants of the apartment house and subject was very secretive and refused to allow anyone to enter the apartment even when such request was for inspection purposes.

A source of information known to Special Agent KENNEDY R. CORBETT advised that PLENN's family is very peculiar and has nothing to do with anyone in the apartment building. This source also stated that subject appeared to have a number of friends connected with the Soviet Purchasing Commission and that subject has frequent parties in his apartment.

A source of information also advised that Mrs. PLENN was formerly DORIS E. TROUTMAN and that she is believed to be a native of North Carolina. This source also stated that Mrs. PLENN has a daughter, EMILY VASSEY, who attends Friends' School, which is believed to be a Quaker institution. It was also determined from this source of information that Mrs. PLENN's father is CHANDLER TROUTMAN, who presently resides in Detroit. This source stated that there appears to be considerable ill feeling between subject, PLENN, and Mrs. PLENN's father.

b2, b7D [On July 5, 1946, [REDACTED] advised that MARY JANE KEENEY contacted GREENBERG and advised him that she was ready to go and that she pick up MIKE and his wife MARION about 10:30 a.m. (u)

[MAURICE HALPERIN] (u)

The following investigation was conducted by Special Agent JEROME M. GARLAND.

It will be noted that on June 16, 1946, MAURICE HALPERIN invited JUST LUNNING to his home for the purpose of meeting J. R. NIELSEN of the University of Oklahoma, who was a guest at the HALPERIN residence.

JUST LUNNING is an official of the U. S. Department of State and is attached to the Office of the Assistant Secretary for Administration, DONALD RUSSELL. LUNNING resides at 1851 Columbia Road, Northwest, apartment 202, Washington, D. C., telephone Michigan 2485.

The Washington Field Office files reveal the following data concerning JUST LUNNING:

A brief summary of LUNNING'S background reveals he was born in Denmark on May 14, 1910. He was appointed a Lieutenant (j.g.) in the Navy on January 3, 1944, and was separated on February 27, 1946. While in the Navy, he was attached to the Office of Strategic Services in Washington, D. C., England and Germany. His record in this capacity is clear. Previous employment is listed as the New York State Department of Labor from September 1937 to February 1939 as a research investigator; May 1939 to January 1942 as assistant to the president (his father) of George Jensen, Incorporated (silversmiths), 667 Fifth Avenue, New York City. JENSEN is stated to be the Dean of the Danes in the United States. LUNNING'S father's name is FREDERICK LUNNING whereas his mother is named HEDWIG JUST LUNNING.

JUST LUNNING attained his A.B. Degree in economics at Harvard University from 1930 to 1932. He had previously prepared at the University of Copenhagen. LUNNING studied at the Harvard University Graduate School in Economics from September 1932 until June 1934. He studied at the Harvard University Law School from September 1934 until June 1937, at which time he attained his LL.B. Degree.

LUNNING entered on duty at the Foreign Economics Administration on February 16, 1942, as an Economic Analyst, grade P-3. He advanced to a P-6 grade and was granted military furlough in February 1945. Two of the references listed by LUNNING in his Federal Government application were WILLIAM T. STONE, Amerasia, and FRANK V. COE of Monetary Research.

~~SECRET~~

A highly confidential source advises that JUST LUNNING'S name is listed in the personal telephone directory of MARY JANE KEENEY as follows: (4)

"LUNNING State 2914" (4)

During a conversation which took place between LILLIAN DUNAWAY, wife of PHILIP DUNAWAY, and MAURICE HALPERIN'S wife, EDITH HALPERIN, on December 17, 1945, Mrs. DUNAWAY mentioned that her husband "stopped off tonight at GUS LUNNING'S - phonetic - (JUST LUNNING'S)." Mrs. HALPERIN remarked that DUNAWAY should have dropped by her home. (4) u

On June 7, 1946, an unidentified woman whose first name is ANITA invited Mr. and Mrs. DONALD WHEELER to a dinner party which she and her husband, SYLVIA, are giving jointly with JOSE LUNNING - phonetic - (JUST LUNNING) at the latter's apartment at 1851 Columbia Road, Northwest. This dinner was arranged for 6:00 P.M. on the following Wednesday in honor of three Danish journalists who are stated to be friends of ANITA'S husband and JUST LUNNING. (4) u

MAURICE HALPERIN invited Mr. and Mrs. PHILIP DUNAWAY to her home on the night of February 8, 1946. Mrs. DUNAWAY stated that her husband, PHILIP, and DAVID WAHL stopped off at JESS LUNNING'S - phonetic - (JUST LUNNING'S) house to talk over some business. She added that in the event PHILIP DUNAWAY is not too late getting home, they will visit the HALPERINS. (4) u

On March 21, 1946, an unidentified woman conferred with REBEKAH FITZGERALD for the purpose of advising her that FRANK CAMERON expected to be in town in the near future. Mrs. FITZGERALD also mentioned that she is relaying an invitation from Mrs. HILL of 2335 California Street to attend a party on Saturday night. The unidentified woman stated that the LUNNINGS (JUST LUNNINGS) will be unable to attend the party inasmuch as the doctor will not permit WINNIE (probably Mrs. LUNNING) to leave her home. (4) u

ALLAN ROSENBERG conferred with his wife, ERMA, on April 9, 1946, at which time he stated that LESTER LEVIN was in town. He added that he, ROSENBERG, had contacted NIPPY SHARTMAN, at which time he ascertained that NIPPY'S father wanted to see certain people who were expected at the ROSENBERGS' for dinner on Saturday night. ERMA ROSENBERG then referred to the dinner by stating that she has not heard whether the SASULYS, DUNAWAYS, HILLARDS (phonetic) or LUNNINGS - phonetic (LUNNINGS) will be able to come. (4) u

As a result of information furnished by [REDACTED] that the ALLAN ROSENBERGS would attend the party at the home of BOWEN SMITH, 2818 I Street, N. W., on the night of June 12, 1946, a surveillance was instituted by Agents of this office. (u) SECRET

At 5:32 P.M., an individual believed to be EMILY SHARFMAN arrived at the office of ALLAN ROSENBERG, 1822 Jefferson Place, N.W., with her young son. Shortly thereafter, WARREN SHARFMAN, his wife and son departed from the office. At 7:15 P.M., ALLAN ROSENBERG, his wife and EDWARD BRECHER left the office and proceeded to the home of BOWEN SMITH. A number of other guests arrived and at 8:25 P.M. they departed from the SMITH residence and proceeded by automobile to the Orient Restaurant on Wisconsin Avenue in Georgetown. One automobile bearing Maryland license plates 141872 is listed to GRACE CRAWFELL, 1622 Park Avenue, Baltimore, Maryland. At least one man and woman originally arrived in this automobile. There were six men and six women in this group. The identified men are ALLAN ROSENBERG, BOWEN SMITH, EDWARD M. BRECHER and JUST LUNNING. None of the women were identified with the exception of Mrs. ALLAN ROSENBERG and Mrs. JUST LUNNING.

At 10:00 P.M., the entire party left the Orient Restaurant, at which time a man and woman later identified as Mr. and Mrs. JUST LUNNING were surveilled to 1851 Columbia Road, where they were observed to enter apartment 202, which is listed to the LUNNINGS.

*d. Brecher*

On June 13, 1946, Mrs. <sup>Emma</sup> ROSENBERG conferred with EMILY SHARFMAN relative to the party at the home of BOWEN SMITH on the previous evening. During the course of this conversation, EMILY mentioned that ALLAN ROSENBERG drank too much and passed out. Those mentioned as attending the party were JUST and FREDDY (phonetic) LUNNING, the BOWEN SMITHS, the EDWARD FITZGERALDS, the EDWARD BRECHERS, WALTER PLOUT (phonetic) and a woman named Mrs. COOK. Mrs. ROSENBERG added that the company was a funny mixture inasmuch as the LUNNINGS do not mix with people like the FITZGERALDS or the BRECHERS. She added that the BRECHERS did not fit in with anyone but the ALLAN ROSENBERGS and the BOWEN SMITHS. Mrs. ROSENBERG continued by stating that she found the FITZGERALDS unbearable, as they are almost Republicans. In concluding, Mrs. ROSENBERG stated, "We were about the only Jews there except WALTER PLOUT and I think ED BRECHER but ALLAN says he is not."

SYLVIA SCHIMMEL of the State Department conferred with MARY JANE KEENEY on July 3, 1946. On this occasion, Mrs. KEENEY stated she had just gotten in from a party which was held at the home of DAVID WAHL. SYLVIA related that her family intends to leave for the weekend. She invited Mrs. KEENEY to come out to dinner in the near future. They tentatively made an engagement for Monday night,

MARY JANE KEENEY then inquired of SYLVIA SCHIMMEL concerning the progress of her work. This resulted in a lengthy dissertation relative to SCHIMMEL'S dissatisfaction with the conditions in the State Department insofar as they affect her. She stated, "They are horrible . . . perfectly ghastly." She complained that she is being given "the run-around" inasmuch as she has been assigned to work usually done by file clerks. In connection with her filing work, SCHIMMEL says she is in a position to see where employees of the State Department have been reclassified from CAF-4 to CAF-7 who do not even have a permanent status

in the Government. She remarked that they (State Department) do not even have sense enough to know that she would be in a position to notice these discrepancies. SCHIMMEL added that she feels very blue and there is nobody to turn to any more. She stated that JEAN (ARCH JEAN, personnel officer) is not too nice, as he is "very short and curt." KEENEY volunteered that this is a "damned sorry business" and she feels badly about leaving the State Department when she did, thus leaving her friends to bear the brunt. SCHIMMEL feels like telling them to "go to hell" but hates to play into their hands in that manner. SCHIMMEL then advised that she ran into JUST LUNNING on the street the other day and later went up to see him at his office at his invitation. According to SCHIMMEL, there is a slight change in LUNNING'S attitude and upon the occasion of her call, it was obvious that he had been discussing the situation at the State Department with someone else. KEENEY remarked that the people who have been worshipping him (LUNNING) all along are wondering whether they should have done so. SCHIMMEL states she told LUNNING that due to her Political Action Committee work, she is being given the runaround. According to SCHIMMEL, LUNNING turned this remark off by stating, "We were all working for ROOSEVELT weren't we?" SCHIMMEL then advised that she told LUNNING about the treatment the State Department is giving "them" and he inquired if she would like to work with him if arrangements could be made. According to SCHIMMEL, she informed LUNNING that she does not want to do anything to cause him embarrassment. KEENEY thinks SCHIMMEL let LUNNING off too easily.

It has been ascertained that SYLVIA SCHIMMEL was transferred from the job of which she complained and now is actually working for JUST LUNNING.

JUST LUNNING attempted to confer with ALLAN ROSENBERG on June 24, 1946. In this connection, he was informed by ERNA ROSENBERG'S mother that the ROSENBERGS would not be in until late that evening. LUNNING then inquired as to whether ERNA ROSENBERG'S mother is a relative of a Mrs. SALLAM, the reply to which being that she is a first cousin of JOSIE SALLAM and knows WALTER and AARON SALLAM. LUNNING commented that he lived in the same house with WALTER SALLAM in Cambridge, Massachusetts, fifteen years ago.

It will be noted that under postmark of December 18, 1945, Mrs. J. M. FERNANDEZ of 815 Jenkins, Norman, Oklahoma, corresponded with Mrs. HALPERIN. In this connection the Oklahoma Field Division by letter dated July 19, 1946, entitled, "Gregory, Espionage - R" stated that the individual in question is probably Mrs. J. M. FERNANDEZ of 815 Jenkins, Norman, Oklahoma. It is further stated that Professor J. M. FERNANDEZ was, until recently, connected with the University of Oklahoma in the Foreign Language

Department. This individual was born in Puerto Rico and his wife is believed to be a native of the State of Indiana. Mr. and Mrs. HERNANDEZ are well known to Special Agent LOWELL DUNHAM of the Oklahoma Field Division, who has been acquainted with them for approximately eighteen years. Special Agent DUNHAM, as well as several reputable officials and professors of the University of Oklahoma, insist that neither of the HERNANDEZ' have ever expressed any nationalistic tendencies. It is also stated that they are not identified with professors and persons in Norman, Oklahoma, who are considered as "radicals." Professor HERNANDEZ has been very successful in the real estate business and has acquired a fortune of approximately one hundred thousand dollars. Since his retirement from the University of Oklahoma, he and his wife have pursued their business affairs and have not engaged in political or social activities.

F. L. RYAN of 82 Central Avenue, Sausalito, California, corresponded with MAURICE HALPERIN under postmark of January.15, 1946, as well as on other occasions. (A)u

The San Francisco Field Division, by letter of July 13, 1946, entitled, "Gregory, Espionage - R" advised that the files of that office reflect one Dr. FREDERICK L. RYAN, 82 Central Avenue, Sausalito, California, who is undoubtedly the correspondent referred to above. (A)u

The San Francisco Field Division supplied the following data regarding him:

Information received from the Commercial Credit Bureau, San Francisco, reflects that RYAN has resided at Sausalito for about eight and one-half years, is married, his wife's name is VALERIE. He listed former residences as 1263 Lombard Street, San Francisco; 606 W. 116th Street, New York City; 2794 Shasta Road, Berkeley, California; 1457 Jones Street, San Francisco; and 418 S. Lee, Alexandria, Virginia. He was employed in 1945 as an economist with the Office of Strategic Services; formerly employed as Field Investigator, U. S. National Labor Relations Board, 1095 Market Street, San Francisco, for about four years. He was previously a teacher at the University of California, having left there in 1930.

Files of this office reflect that in 1941 he subscribed to the Communist Party newspaper, People's World, in the name of his wife, VALERIE RYAN, 1095 Market Street. The report of Special Agent WARREN WADSWORTH RICHMOND, dated June 13, 1944, entitled, "California Labor School, Internal Security - C" reflects that Dr. FREDERICK L. RYAN, Assistant Regional Chief, Division of Program Analysis and Review, War Manpower Commission, is listed as an instructor at the California Labor School, Summer term, 1944, for the course "Post War Reconstruction."

Attention is invited to information supplied by [redacted] to the effect that one MARTIN SACKMAN (phonetic) of Northfield, Minnesota, conferred with MAURICE HALPERIN on March 27, 1946. (S)u

In answer to inquiry concerning SACKMAN, the St. Paul Field Division, by letter dated July 10, 1946, captioned, "Gregory, Espionage - R" supplied the following information:

Investigation at Northfield, Minnesota, with the Postmaster, rural carriers, city carriers, general delivery, police, and post office stations in the colleges of St. Olaf and Carleton, as well as the records of these institutions and all other sources of information, failed to reflect any individual presently or previously residing in Northfield, Minnesota, by the name of MARTIN SACKMAN or a sir name fitting a phonetic spelling such as SACKMAN.

It was ascertained at Carleton College that a MARTIN STAPLES SHOCKLEY, who was a Professor of English from 1944 until May 1946, at Carleton College, had been asked to resign and that this party had made several trips to the Eastern States in the early part of 1946. The following background information regarding SHOCKLEY is set out for the information of the Washington Field Division in order that they might eliminate this individual as a person who contacted MAURICE HALPERIN on March 27, 1946:

MARTIN STAPLES SHOCKLEY taught English at Carleton College and resided at 107 Nevada Street, Northfield, Minnesota, from September 1944 until June 1946. He was born March 24, 1908, in Stewart, Virginia, where he was apparently raised and finished high school. He graduated with a B. A. Degree from the University of Virginia in 1928, with an M. A. Degree from Duke University in 1932, and with a Ph.D. Degree from the University of North Carolina in 1938. He married the daughter of Professor GEORGE C. TAYLOR, English Professor at the University of North Carolina, Chapel Hill, North Carolina. He is reported to have previously (1944) been editor of the Publications Division, Quartermaster Training Service, Camp Lee, Virginia, and resided during that time at 235 Hamilton Avenue, Stewart, Virginia. He has previously worked at the University of North Carolina, the Citadel (1935 and 1938), University of Oklahoma and the University of Colorado. He is said to be well known to Dr. RALPH HEMSTEAD, an officer of the American Association of University Professors, 1155 - 16th Street, N. W., Washington, D. C.

~~SECRET~~

MARTIN STAPLES SHOCKLEY is described as an individual thinker, who becomes very outraged and sullen when his philosophies and ideas are not accepted. He was discharged from Carleton College because of his inability to get along with the traditions and ideas followed by the students and this institution.

A close personal contact of his described him as a follower of the Bohemian type of life and that SHOCKLEY sympathized with all persons you might call the underdog. He is known to have made a trip to New York City about January of 1946 and possibly to Washington, D. C., and was to have made a trip to Alabama for the purpose of contacting the University of Alabama about a job. It was definitely established that he entered the Mayo Clinic at Rochester, Minnesota, for a fistula operation on April 1, 1946, and was released from the hospital on May 13, 1946. Dr. LARRY GOULD, President of Carleton College, upon checking his records, was nearly certain that SHOCKLEY was on the campus of Northfield during the week covering March 27, 1946.

SHOCKLEY is described as follows:

Name:	MARTIN STAPLES SHOCKLEY
Age:	38 years
Born:	March 24, 1908

Height:	5 feet 10 inches
Weight:	160 to 170 pounds

It will be further noted that MAURICE HALPERIN has been in contact with Dr. GERTHEIDE NIELSEN, who is stated to be connected with the State Department of Health in Norman, Oklahoma. Specifically, this individual conferred with the HALPERINS on April 11, 1946, according to information supplied by [REDACTED] (S) u

~~SECRET~~

The Oklahoma Field Division by letter of July 19, 1946, entitled, "Gregory, Espionage - R" supplied the following data concerning Dr. ~~GERTRUDE NIELSEN~~ and her husband, Dr. JENS RUD ~~NIELSEN~~, who has been referred to as J. REED ~~NIELSEN~~ in previous reports of this case. ~~SECRET~~

Doctor ~~GERTRUDE NIELSEN~~ served as Director of the County Health Department in Cleveland County, Norman, Oklahoma, until about October 15, 1945, when Dr. JAMES O. HOOD returned to that position. She is presently employed in the offices of the State Health Department at Oklahoma City, Oklahoma.

Dr. JAMES O. HOOD, 420 East Keith Street, Norman, Oklahoma, advised that he has been acquainted with Dr. ~~NIELSEN~~ since about 1936 and recalls that she was instrumental in helping to establish the Health Clinic in Norman, Oklahoma. During the period of about 1938 to 1940, Dr. HOOD acted as Director of the County Health Department and during this time Dr. ~~NIELSEN~~ was in private practice in Oklahoma City, Oklahoma. He recalled that she had some difficulty with the Oklahoma County Medical Association because of her attitude on birth control. When Dr. HOOD entered the Army in 1940, several male doctors served as Director of the Health Clinic but when one was called into service and inasmuch as the State Health Department was desperate for a director, it was concluded to appoint Dr. ~~NIELSEN~~ who had also been interested in the Health Department's work. Upon Dr. HOOD'S return he found that most of the interested citizens in Norman were objecting to Dr. ~~NIELSEN~~'S place as Director because of her general reputation of being a "radical". He went on to say that Dr. ~~NIELSEN~~ is a native of Hungary, studied medicine in Europe, probably Austria, and is particularly fond of forms of socialism recognized in the Scandinavian countries.

Dr. HOOD further advised that she is strongly in favor of socialized medicine and is aligned with what is commonly referred to as the "leftist group" of the First Presbyterian Church at Norman. The minister of this church, the Reverend JOHN B. THOMPSON, is the subject of a separate file in this office and it is known that he has been described as a "liberal". Most of the persons aligning themselves with his ideas are identified with the "leftist group" in the church. However, Dr. HOOD and several other persons interviewed believe that, in the final analysis, Dr. ~~NIELSEN~~ and many of her close associates would not be considered un-American. He believes that because of her foreign birth and her close study of political circumstances throughout the world, she may appear to be radical. He advised that he would not consider her dangerous to the security of the country.

~~SECRET~~

an examination of the personnel files of the University of Oklahoma reflected that Dr. NIELSEN'S husband is JENS RUD NIELSEN, 310 South University Boulevard, Norman, Oklahoma. He is employed as Research Professor of Theoretical Physics and is recognized internationally as one of the six leading infra-red spectroscopists. He has conducted several experiments with Butadine, one of the substances from which synthetic rubber is made. The University officials state that he is highly recognized in the field of physics and is not considered subversive nor un-American. He married GERTRUDE SIEGMUND in 1923 and they have three children who are now of age, namely: JOHN, THOMAS, and MARY NIELSEN.

Professor NIELSEN was first appointed as professor at Oklahoma University in 1924 and gave his birth date as September 22, 1894, in Copenhagen, Denmark. During the war he supervised the making of a spectrograph for the Navy and also for the Phillips Petroleum Company. He attended grade and high school in Denmark and attended the University of Copenhagen from 1913 to 1919. His file shows that he is a member of the Fellow American Physics Society, American Association for Advancement of Science, Oklahoma Academy of Science, Sigma Chi, and is a member of the American Association of Physics Teachers. He has won several scholarships. He is described by Dr. HOOD, as well as officials of the University as being interested in his chosen profession than in any other activities and is not considered subversive.

In addition to the above, the Oklahoma Field Division was requested to attempt to identify one BILL RANDALL of Norman, Oklahoma, who, according to [REDACTED] conferred with MAURICE HALPERIN on February 5, 1946, and had luncheon with HALPERIN February 6, 1946.

During this individual's stay in Washington, D. C., he resided with SAMUEL P. CHEW, 3230 P Street, Northwest. No information concerning CHEW is available in the Washington Field Office indices.

By letter dated July 19, 1946, captioned, "Gregory, Espionage - R" the Oklahoma Field Division advised that no information is available concerning BILL RANDALL.

Inquiry was made at the Police Department, Sheriff's office, post office, retailers association, city and telephone directories, as well as the records and officials of the University of Oklahoma.

In view of information received from the mail cover maintained on MAURICE HALPERIN to the effect that H. G. WILIPMAN, 68 Eastern Park Road, East Gloucester, Massachusetts, corresponded with HALPERIN under

postmark Gloucester, Massachusetts, February 21, 1946, the Boston Field Division was requested to identify this individual. (S) u

By report of Special Agent JOHN F. DESMOND dated July 21, 1946, bearing the caption "Gregory, Espionage - R", the Boston Field Division advised that sources of information available to that office failed to identify TILIPMAN or any individual having a similar name. It is also noted that there is no Eastern Park Road, East, located in Gloucester, Massachusetts. (S) u

The Miami Field Division by letter dated July 12, 1946, entitled "Gregory, Espionage - R" advised that it was unable to develop any data concerning one E. S. TRIRCE of 932 25th Avenue, North, St. Petersburg, Florida, who, under postmark of January 17, 1946, is reported to have corresponded with MAURICE HALPERIN. In this connection, the letter carrier covering this address advised that an eccentric old lady lived at that address. He further stated that he thought a Jewish individual resided at this address for approximately three months during the winter season. He was unable to recall having ever delivered any mail to a man named TRIRCE. (S) u

In 1939 he was employed by Dr. WILLIAM ~~HABER~~ who had been a professor at the University of Michigan and who has been frequently reported to be very radical and a leftist in his views. At the time JOSEPH was employed, Dr. ~~HABER~~ directed the National Refugee Service in New York City. From 1940 to 1941, JOSEPH was employed at the National Resources Planning Board, Washington, D. Shortly thereafter he was transferred to the Office of Strategic Services. An investigation by the Military Intelligence Service to determine his loyalty and fitness indicated that he was brought to the Office of Strategic Services because his wife BELLA MIRIAM ~~JOSEPH~~ worked in that organization and he had been recommended for that type of work by Dr. ~~HABER~~, a high official in the War Manpower Commission.

JOSEPH lived at 2321 Lincoln Road, N. E., Washington, D. C., in 1943 and 1944. His present residence is not known but his draft board is No. 4, 918 F Street, N. W., Washington, D. C.

husband to his apartment on Tuesday evening, July 9, 1946, for cocktails. He mentioned that the MITCHES', HARRY MAGDOFF, and another couple would be present. (u)

The informant mentioned that BEI ~~X~~ HORN of Baltimore contacted IRVING KAPLAN and inquired if it would be possible for him to come to Baltimore that day. She desired information from the subject on tax matters and mentioned that New York Life Insurance was lending her \$100,000 on a first mortgage for eight years, and that she was borrowing another \$100,000 from a friend of ERNSTEIN's. The latter amount was to be without interest for a period of four years but on the agreement that one third of the profits would be paid to this party without this being reflected on the books. BEI HORN mentioned she would be present on this new venture and was to receive one third of the profits derived. BEI mentioned that she being president was able to appoint three members to the Board of Directors and that she planned to appoint ~~X~~ RUTH ~~X~~ and ~~X~~ JUDITH ~~X~~. In this conversation it was mentioned LURRY LATIMER "is doing" to become commissioner of the Bureau of Labor Statistics, and that the purpose for his meeting GEORGE SILVERMAN was to have GEORGE sound out a few people in LURRY LATIMER's behalf. (u)

Encl B. On July 12, 1946 the informant advised that DOROTHY KAPLAN was in contact with SARA SILVERMAN to confirm their engagement for dinner that evening at the Napoleon Restaurant on Connecticut Avenue. (u)

On July 15, 1946 it was reported by the informant that E. D. FITZGERALD mentioned to DOROTHY KAPLAN that his wife, REBECCA, was ill and that the doctor thought it might be a cardiac condition. ~~SECRET~~ (u)

It was also reported by the informant on this day that DOROTHY KAPLAN advised EDITH NEEDLEMAN of New York City that her husband planned on going to New York on Wednesday July 24. She mentioned that he would probably ask GIPFY, EDITH's husband, to obtain a room for him there. (u)

The following information is being set forth on the various contacts of IRVING and DOROTHY KAPLAN: (u)

ELISE DEMISON: It was reflected in conversation between BEADIE HINGDOFF and CAROLINE that ELISE DEMISON was to attend the movies with BEADIE HINGDOFF on June 4, 1946. (u)

The indices of the Washington Field Office were checked relative to ELISE DEMISON with negative results.

SID NEEDLEMAN: ED FITZGERALD and IRVING KAPLAN discussed various vacancies in the FHL. FITZGERALD mentioned SID NEEDLEMAN and asked KAPLAN's opinion about NEEDLEMAN. KAPLAN stated he felt NEEDLEMAN was good at mechanics to which FITZGERALD replied that he was and that he already had NEEDLEMAN. KAPLAN suggested to FITZGERALD that they use NEEDLEMAN as a contact and liaison man. (u)

It will be noted as a result of a review of the Washington Field indices that SID NEEDLEMAN's name appeared among the names listed in connection with Communist infiltration of United Federal Workers of America, CIO. (u)

ETHEL KACHALIC: On June 24, 1946 ETHEL KACHALIC of the National Citizens PAC contacted DOROTHY KAPLAN and mentioned to DOROTHY that she needed help and that ED FITZGERALD had recommended DOROTHY. DOROTHY agreed to assist ETHEL and stated she would report at the Willard Hotel that afternoon. (u)

A review of the files in the Washington Field Office reflect that

MARY WEITZMAN: A review of instant file reflects that MARY WEITZMAN left a message for DOROTHY KAPLAN on July 2, 1946 and stated that she, MARY WEITZMAN, could be reached at Executive 0782. (u)

~~SECRET~~

A review of the files in the Washington Field Office reflects that MARY WEITZMAN is the wife of JACOB DANIEL WEITZMAN. Background information of JACOB WEITZMAN reflects he was born in Odessa, Russia on February 1909 and that he became an American citizen May 6, 1945. It is reflected that JACOB and MARY WEITZMAN reside at 7821 Morningside Drive, N.W., and that JACOB WEITZMAN owns and operates a secondhand store, a men's furnishing store, and a pawn broker's shop. He personally operates Danny's Pawn Brokers Sales at 801 4th Street, N.W. Other information reflected in the files revealed that JACOB WEITZMAN, who is also known as DANIEL WEITZMAN, is a member of the Communist Party, and that he is known in the Communist Party as DANIEL WEISS. [It is also reflected that DANIEL WEITZMAN attended a membership meeting of the CPA on June 1, 1945 and it was mentioned L LATHAM, state president of the CPA, was the guest speaker.]

JOHN WEISS: [JOHN WEISS's name was mentioned in conversation between ED FITZGERALD and IRVING KAPLAN.] A review of the Washington Field Office indices reflected that JOHN WEISS's name appears on the Dies Committee list.

HAROLD KNIGHT: [HAROLD KNIGHT's name was also mentioned in the conversation between ED FITZGERALD and IRVING KAPLAN as a likely applicant for one of the vacancies in the FBI. KAPLAN suggested HAROLD KNIGHT would be a good man for a position but FITZGERALD stated he was not available; that he was still struggling with JUSTUS.] A review of the Washington Field Office indices reflects HAROLD E. KNIGHT, a Dollar a Year Man in Washington, was investigated inasmuch as a man by a similar name was listed on the Dies Committee. However, it was determined that HAROLD E. KNIGHT was not identical with the individual listed on the Dies Committee.

#### PHYSICAL SURVEILLANCE

On July 12, 1946 a physical surveillance was instituted at 2649 Connecticut Avenue and at 6:10 p.m. that date IRVING and DOROTHY KAPLAN and GEORGE and SARAH SILVERMAN were observed entering Napoleon's Restaurant, 2649 Connecticut Avenue. After dinner the KAPLANs drove the SILVERMANS in the KAPLAN car to the SILVERMANS apartment at 2325 15th Street, N.W.

interest are being set forth as follows: (u)

B2

[REDACTED] has advised that PHILIP O. KEENEY or MARY JANE KEENEY received a bank statement from the MUNSEY TRUST COMPANY, Washington, D. C., reflecting that as of May 28, 1946 they have a checking balance of \$2,269.20. In addition, [REDACTED] as advised that MARY JANE KEENEY has written the following checks of interest: (u)

Check Number	Date	To the Order of	Amount
482	April 14, 1946	BENEDICT S. <del>ALPHER</del>	\$10.00
485	April 27, 1946	BENEDICT S. <del>ALPHER</del>	\$ 7.09

Concerning BENEDICT ~~ALPHER~~ to whom MARY JANE KEENEY issued two checks in the combined amount of \$17.09 it is to be noted that a surveillance by Special Agents GEORGE J. McKENNA and COURTLAND J. JONES on April 13, 1946 reflected that BENEDICT S. ALPHER and an unidentified woman believed to be his wife were present at a party given by ALLEN ROSENBERG. The surveillance reflected that MARY JANE KEENEY drove ALPHER and the woman to 561 Orange Street, S. E., Washington, D. C. At that time ALPHER was a Major in the U. S. Army. Subsequently it was determined that ALPHER was discharged and moved to 567 Lebaum Street. The name plate on the Apartment No. 4 reflects that it is occupied by BENEDICT S. ALPHER and ETHEL MACHANIC. It is to be noted that MARY JANE KEENEY received correspondence from ETHEL MACHANIC during this period.

Concerning LOUISE ROSSKAM, to whom MARY JANE KEENEY issued a check in the amount of \$20.00, it is to be noted that they are old friends as reflected by subsequent investigation. LOUISE and EDWIN ~~ROSSKAM~~ are known contacts of URSULA WASSERMAN and JULES ~~KORCHIEN~~. The ROSSKAMS reside at 10 Downing Street, New York City, having recently returned to the United States from Puerto Rico.

MARTIN T. BENNETT, who is the recipient of a check issued by MARY JANE KEENEY, was contacted by KEENEY as reflected by a surveillance on March 12, 1946, the day after MARY JANE KEENEY returned to Washington, D. C. from overseas. BENNETT's name appeared in the address directory of

WFO 100-17493

MICHAEL GREENBERG who is also a subject of this case.

~~SECRET~~

DAVID WAHL, to whom MARY JANE KEENEY issued a check in the amount of \$25, is a subject in instant investigation.

JAY DEISS, to whom MARY JANE KEENEY issued a check in the amount of \$8.00, was visited by MARY JANE KEENEY in New York City on March 10, 1946 shortly after her return to this country from overseas. DEISS resides at 17 Charlton Street, New York City, and is known to be a contact of Mrs. JOHN J. BET, editor of "Soviet Russia Today".

*62,107D* [redacted] has also advised that on May 7, 1946 PHILIP OLIN KEENEY, who is presently assigned in Tokyo, Japan with the War Department, corresponded with his wife and among other things wrote the following which is of interest: *s(u)*

"Your latest correspondence regarding strikes have arrived. I also got a bunch from Jess and the home front smells to high heaven. I was glad to see that the WFTU is going to support the maritime unions. I don't suppose news of this kind has any effect on our administration. If we think we can call on the armed forces to man the ships, we have another think coming. What Byrnes can do in Paris is highly problematical. Apparently, Jimmie Dunn is not finding everything his way even if he is backed up 100% by Churchill. The Socialists are seemingly trying to present a solid front against the various C.P.'s. This front has wide cracks and I doubt whether they can get together on a nationality basis any more than the unions in U.S. can close ranks and fight the enemy." *s(u)*

In a letter directed to his wife dated May 31, 1946 PHILIP OLIN KEENEY had the following to say: *s(u)*

"Siam seems to be having plenty of backing in her French difficulties. It will be interesting to see what UN does with this impasse. It is a good thing that Lie heads up UN. His hands are partly tied, but with a complete anti-USSR on top the picture might be much darker." *s(u)*

In a letter dated June 2, 1946 PHILIP OLIN KEENEY had the following to say: *s(u)*

"I would not accept anything Liberian as a helper unless I was sure about him or her. To go it alone is a tedious onerous purpose." *s(u)*

for Japanese support is like all white collared support, utterly doubtful. No matter how sure you are of your procedures you can be sold down the river. Nothing at all. In a word, the Japanese Library Association should be a UPWA union, and a fat chance I have by myself to create that." (u)

KEENEY wrote to his wife on June 4, 1946 the following: (u)

"The CP in France did not lose much in this election nor did the MRP gain much. This ought to slow down the Blum tribe even if it was successful negotiating the U.S. loan. The French are living up to their own ideas and the people of the resistance may succeed in wiping out the main collaborationists before it is too late. Until an adequate constitution is written everything will be influx." (u)

"I had three games of chess with another one of our allies. (Russian?) I was soundly beaten the first two games but managed to draw the third. He was an older person but knew his moves and played a very aggressive game. I was told he knew his stuff and discovered that for myself. This seems to be the extent of my contacts. I am always hoping something will advance beyond this stage. I cannot push much with the lobby so full of wild talk. We seem to have a bunch of divines in our midst. A concerted effort is to be made to spread the Christian doctrine." (u)

[redacted] has advised that MARY JANE KEENEY received a letter June 18, 1946 from PAUL ROBESON, Action Committee to Free Spain Now, Room 712, 55 West 42nd Street, New York 18, New York. This letter requested that she submit contributions for ROBESON's work to "free Spain now and to aid the Spanish guerrillas". (u) b2 b7D

The same informant has advised that RAYMOND RUSSELL CHAGNON who apparently is connected with the United Seamen's Service, Incorporated, San Pedro, California, corresponded with MARY JANE KEENEY on June 9, 1946. In this letter, the pertinent portions of which are being quoted hereafter, CHAGNON makes frequent reference to the "church" and "church members". It is believed that he is referring to the Communist Party. The letter is set forth as follows: (u)

WFO 100-17493

"U.S.S. Miramar Hotel  
431 Centre St.  
San Pedro, Calif.

"Dear Mary Jane:

"I've been a busy lad since Mar 17th when I arrived in S. F. to work on rank & file seamen's support of U.S.S. The culmination of my efforts resulted in the unanimous endorsement of U.S.S. at the Maritime Unity Convention May 11th at S. F. I wrote the resolution & Joe Curran placed it in the hands of the resolutions committee for me. U.S.S. now has a high proportion of church members & we are just getting started on coordinated efforts. *s(u)*

"I was transferred from Balto to here last Sunday having been here almost a week. I made a flying trip East between May 16th & June 2nd when I arrived back here again. I was married May 25th to Mary B. Kuhl a fashion artist at the Hub Dept. Store - Balto. Mary is not yet an accredited church member but she will be as soon as she arrives here. She has to work out a 30 day notice with her employer & will arrive here about July 1st to 7th. *s(u)*

"Because I may not get back East for some time with Mary I want you to meet her. She lives at Bowie, Md. 21 miles north of Wash. D. C. How about inviting her down for lunch some Sat. or Sunday. She need not stay overnight because the distance to Bowie is so short. Mary has been associated with church members for years but no one ever inducted her. You can probably give her some ideas — (illegible) the fact that the life of a church member is fraught with a continual uphill battle, the only censure of Mary was that when the going was tough she couldn't stand the gaff. I know Mary is made of sterner stuff but in fairness to her I would like you to point out what may conceivably lie ahead. Coming from some one besides myself I think it would be better. *s(u)*

"I love Mary very much & want this marriage to be for keeps. .... I am sure you can convey to Mary some of the ideas which are necessary for a fortified political horizon. *s(u)*

"Wish Angus were with you, but we both know why it has to be this way. Believe Mary would readily understand & accept by the knowing, were she in your place. *s(u)*

"No doubt you are very busy but I do feel you & Mary should get to know each other & soon. If you invite her its Mrs. R. R. Chas Bowie, Md. She's a farm girl at a bohemian. s(u)

"Just received a letter from Alice Vailes who recently returned from Europe. She said she called you to get my address. Alice is a nice girl but her nuptial desires in my direction are stopped as I wrote her tonight of my recent marriage. I like Alice but she has no place tied to a rank & filer, in view of her thorough going bourgeois outlook. s(u)

"It looks as if Lundberg's bid for the spotlight at the detriment of CIO negotiations in Wash is backfiring. His rank & file see the advantage of strike at the same time as other maritime workers. Its a pleasure to work with the highly politically conscious seamen." s(u)

b7D On June 12, 1946 according to [REDACTED] PHILIP OLIN KENEY wrote his wife the following: s(u)

"I have played a few games of chess and a little bridge with a very nice chap, but knew nothing about his work until I ate dinner with him last night. He said he had taken out U. S. citizenship papers but was still an Italian. Over here he has been assigned to the USSR Secretariate in some liaison capacity. He said the hotel talk upsets him very much. Furthermore the USSR has quite a large staff in Tokyo but in the beginning they had never told what sized staff to bring. Now that they were established they were being discriminated against in what they could buy from PX and in the number of guests they could have. He admitted that those things were small but added to the general Soviet discomfort. I hope to become better acquainted with this chap. We seemed to hit it off from the first rattle out of the box. He is in a position to hear many things and I'm sure he is a keen observer. s(u)

"It looks as if Byrnes' return to Paris may spread things wide open. What Lasky can accomplish in Moscow seems like mighty small spuds and what EB (Earl Browder) has been doing is questionable. The whole picture is befogged and most difficult to understand in Tokyo." s(u)

JOHN P. HURLEY, Senior Clerk, U. S. Post Office, Wayne, Pennsylvania, advised that he has known RANDOLPH GILMAN since the latter's boyhood. GILMAN was said by him to have lived at Wayne and vicinity since boyhood, apart from a few years at school. Mr. HURLEY stated that RANDOLPH GILMAN attended the Haverford School, an exclusive preparatory school at Haverford, Pennsylvania, and on graduation from there he attended Amherst College, Amherst, Massachusetts.

Mr. HURLEY pointed out that RANDOLPH GILMAN was discharged from the U. S. Navy several months ago as a Lieutenant, and following his discharge, married MARGARET IRWIN WARREN, described as the wife of a close friend who was killed while in the service. Mr. HURLEY advised further that RANDOLPH GILMAN had until recently resided at 320 Summit Avenue with his father, WESLEY GILMAN, his mother and a married sister, Mrs. SKILLMAN, all of whom bear excellent reputations in the community. Mrs. SKILLMAN'S husband was said by HURLEY to be presently serving as a Lieutenant in the U. S. Navy. WESLEY GILMAN, RANDOLPH'S father, was said to operate an advertising agency at 1528 Walnut Street, Philadelphia.

J. HAROLD HILLMAN, President of the Wayne Title and Trust Bank, Wayne, Pennsylvania, advised that WILSON McHERRY IRWIN, MARGARET IRWIN WARREN'S father, was a consultant engineer with UNITED GAS IMPROVEMENT, a large utility company located in Philadelphia, and during the late war, served in an advisory capacity as an engineer for the Government at Washington, D. C. Mr. HILLMAN was not personally acquainted with MARGARET IRWIN WARREN, but that her family was well-to-do, entirely respectable and highly patriotic. Mr. HILLMAN also advised that WESLEY GILMAN operated an advertising agency in Philadelphia in partnership with PAUL M. LEWIS. Although Mr. HILLMAN was not acquainted with WESLEY GILMAN or RANDOLPH GILMAN, he stated that PAUL M. LEWIS of Stratford, Pennsylvania, was a very reputable citizen and that GILMAN must be A-1 in background and business standing to have such a partner.

Mrs. EDWARD LOUGHREY, Assistant Postmistress, St. Davids, Pennsylvania, on July 10, 1946, advised that she had known MARGARET IRWIN WARREN for the past ten years, and during that period had never heard anything derogatory regarding

ET

this individual. MARGARET was said to have attended the Ignos Irwin School, Lynncwood, Pennsylvania, a conservative private school for girls, having graduated from that school about 1941. Following graduation, she married JOHN WARREN, who was said to be from Baltimore, and she and JOHN WARREN resided with her parents at Cambria Court, St. Davids, Pennsylvania. JOHN WARREN was said by Mrs. LOUGHREY to have been killed while serving overseas, leaving his wife and a child, now aged two. MARGARET IRWIN WARREN was said to be presently married to RANDOLPH GILMAN, a friend of MARGARET WARREN'S late husband, and MARGARET RANDOLPH GILMAN presently reside with MARGARET'S parents. MARGARET has a brother, THOMAS IRWIN, who is presently a student at Yale University, according to Mrs. LOUGHREY.

Mr. BLACK, Assistant to the Headmaster, Haverford School, Haverford, Pennsylvania, on July 13, 1946, made available the school file for RANDOLPH GILMAN. This file reflected that GILMAN attended Haverford School from September, 1935, to June, 1937, when he was graduated. He was below average as a student, having a standing of forty in a class of fifty-eight. Mr. BLACK advised that RANDOLPH GILMAN was not a scholar, but was a gentlemanly, friendly boy, pleasant and courteous in his manner. Mr. BLACK had no derogatory information regarding GILMAN. He advised that LESLEY L. GILMAN, RANDOLPH'S father, was formerly connected with W. W. LAY & SON, Philadelphia, Pennsylvania, described by him as one of the largest, oldest and most conservative advertising companies in Philadelphia, with headquarters in Philadelphia.

According to these records, this car was first registered in New Jersey in March of 1945 and that it had been transferred from Pennsylvania. The Pennsylvania certificate on file with the New Jersey Motor Vehicle Department reflects that ~~HOME'S~~ home address in that state was 722 Philadelphia Street, Indiana, Indiana County, Pennsylvania. There is a lien in the amount of \$858.78 against this car held by the Seaboard Commercial Corporation, Harrisburg, Pennsylvania.

In an effort to obtain additional background information concerning this person, Mr. THOMAS BEIRNE, mail carrier of the Orange, New Jersey Post Office, which also covers West Orange, was contacted, and he advised that to the best of his recollection the ~~HOES~~ had moved to 23 Callanore Terrace, West Orange, sometime in the early summer of 1945. He stated he believed that he had moved to this address from out of state, but he was unable to recall, nor did his records reflect the place from which they had come. He advised that Mr. ~~HOME~~ had only recently returned from an extended trip to South America. He had no further information concerning these individuals other than to advise that they had a son whom he believed to be attending the Roosevelt Junior High School in West Orange, New Jersey.

Mr. BRENDER, principal at the Roosevelt Junior High School, West Orange,

New Jersey, advised that SHELDON HOME of 23 Collamore Terrace, West Orange, was a student at his school. He advised that SHELDON HOME was born March 19, 1932 (?), in Pittsburgh, Pennsylvania. His father's name is HARVEY S. HOME, who is employed as a civil engineer and his mother's name is LEONA HOME. Both parents were born in the United States. Mr. BRENDLER advised from his records that SHELDON HOME had been transferred to his school from the Gregory School, where he began on March 15, 1945. His records had no information as to the place from which these persons had been transferred but Mr. BRENDLER made inquiry of the principal of the Gregory School who stated he believed that he had come from Maryland.

At the Retail Credit Company, Federal Trust Building, Newark, New Jersey, Mr. NOEL HULL, manager, was contacted, and he advised that his office had on May 2, 1946, made an insurance investigation for the Eastern Department of the Fidelity and Casualty Company of New York, 80 Maiden Lane, New York 8, New York. This investigation concerned an insurance policy on a 1937 Oldsmobile automobile. It was stated in this report that HARVEY S. HOME was forty-two years of age and of Anglo-Saxon origin. His net worth was given as \$8,000 and his annual income \$6,500. He is married and has two children, ages 11 and 16. His wife's name is MARY, age thirty-six, a housewife, according to these records. The file number for the insurance company was furnished as L291,779.

It is noted in the above that nowhere is the name of HARVEY S. HOME listed as an officer. All of the names mentioned above were checked through the Newark Field Division indices and no identifiable information was obtained concerning anyone of these persons.

The Newark indices contain the following information concerning the

Lock Joint Pipe Company, 150 Rutledge Avenue, East Orange, New Jersey. There was a brief Civil Service application investigation of the subject, which was clear.

Reference is made to the report of Special Agent LILBERT G. ZANDER dated June 5, 1946, at Washington, D. C., in which it was reported that OLYA MARGOLIN invited JENNIE MILLER to a reception to be held for ABLE FLENN at the home of HENRY VILLARD, 1520 - 33rd Street, N. W. The following is background information on HENRY VILLARD:

The files of Stone's Mercantile Agency, Inc. reflect that HENRY H. VILLARD, 1520 - 33rd Street, N. W., was born in 1911, is married and his wife's name is MARY. He has been employed by the Federal Reserve system since October, 1945 as an economist. the State Department, who resides at 3335 Dent Place, N.W. He has a sister, Miss DOROTHEA VILLARD, who resides at 2920 N Street, N. W. VILLARD is reported to have come to Washington from New York City.

The files of The Credit Bureau reflect the additional information that VILLARD lived at 79 East 79th Street, New York City, and is a son of Mr. and Mrs. OSWALD G. VILLARD, who still reside at the above address. The credit record reflects that while in the foreign service for the State Department he was stationed in Algiers and received a salary of \$5500 per year. He was formerly employed by OPM as a technician's assistant, to which he was appointed January 1, 1942. It also lists VILLARD as having been employed by the Treasury Department as a senior economic analyst, where he was appointed in February, 1941.

*Not in file*  
The files of the Washington Field Office reflect that Mrs. HENRY VILLARD, mother of OSWALD GARRISON VILLARD, and the grandmother of HENRY VILLARD, is a member of the American Peace Federation, Fellowship of Reconciliation, Women's Peace Party, and as favoring recognition of the Soviet government of Russia. OSWALD GARRISON VILLARD, who is the father of HENRY VILLARD, is a journalist and editor of "The Nation," whose slogan seems to be "my country, always wrong." He is also a member of the American League to Limit Armaments, Fellowship of Reconciliation, Civil Liberties Bureau, American Civil Liberties Union, Commission on Militarism in Education, the People's Lobby, Peace Patriots, League of Independent Political Action, and as favoring recognition of the Soviet Government.

From a confidential source it was ascertained that KULISCHER had been employed by the Library of Congress. However, on May 23, 1946, Mrs. WILL at the Library of Congress was contacted, and she advised that their files failed to reflect any record for a EUGENE M. KULISCHER. ANDERSON, American University, 1901 F Street, N. W., gave the following information concerning KULISCHER:

KULISCHER received first degree diplomas from the Law School at St. Petersburg, Leningrad University. He gave his office address as the Library of Congress, Study Room No. 256. Miss ANDERSON was unable to give any further information except that she believed he would teach during the summer session at American University.

b2  
b7D The following information was obtained through [redacted] during the period July 1 to 15, 1946. (u)

On July 1, 1946, FAYE GLASSER told ERNA ROSENBERG she was waiting until she saw what happened to her husband HAROLD GLASSER, that the UNRRA conference was to take place in August in Paris, and HAROLD has gone to every one of these conferences. If HAROLD should go to this next conference, FAYE said she would leave Washington but she would not go to Chicago again as she did last year. (HAROLD GLASSER is a subject of instant case.) (u)

On July 2, 1946, EDITH WAHL, wife of DAVID WAHL, subject of instant case, contacted ERNA ROSENBERG and invited the ROSENBERGS to a picnic on July 4 at 3 o'clock. ERNA promised to come but said ALLAN would have to attend a Lawyers Guild convention in Cleveland for four days. (u)

On July 5, 1946, ERNA ROSENBERG told EMILY SCHARFMAN on July 4 she attended a picnic given by the DAVE WAHLS. ERNA said there were about 10 people present including MARILET SIMONS and the PHIL DUNALAYS. (u)

On July 8, 1946, ALLAN ROSENBERG told his wife ERNA he had just returned (from Cleveland where he attended the National Lawyers Guild convention). ALLAN said he was on the Resolutions Committee. RUFF MORAN (phonetic) was chairman of this committee and ALLAN said, "We adopted a resolution vigorously condemning TOM CLARK (Attorney General) and asking for his removal unless he changes his policy." The Assistant Attorney General WENDEL BERGE promptly joined the Guild and so did Senator PEPPER. ERNA gave ALLAN the following message from CHARLES FLATO: that he was taking an engineer from Marshall (phonetic) Company up to Boston. They would be there on Tuesday and would like to talk to Fisher and also to Mr. WHITE. ALLAN should get hold of them and let CHARLES FLATO know the time and place. ALLAN could get hold of CHARLES FLATO in New York at Worth (?) 3145; on Tuesday morning at Boston at Stadium 2351 or by contacting CHARLES FLATO's Washington office. ERNA said HAROLD and FAYE GLASSER and CARL (probably CARL GREEN) visited her on Sunday. On Saturday ERNA visited the SCHARFMANs to say good-bye to them. ERNA said a letter arrived from the people in England acknowledging the package which the ROSENBERGS had sent. (u)

On this same day MIKE [redacted], whose wife's name is MARION, asked ALLAN ROSENBERG whether he knew WALTER PLOUT (phonetic), and PLOUT's address in New York City. MIKE said he was going to New York and wanted to see him. ALLAN said it might be in care of REES (phonetic) Brothers or perhaps DAVE LEVITAN could tell him. DAVE LEVITAN could be reached at United Nations. MIKE said DAVE was one of the people he intended to see in New York City. (u)

MIKE asked whether WALTER FLOUT was in business yet and ALLAN replied he had not been up to the time he last saw him about a month ago. (u)

On July 10, 1946, JANIE ~~X~~LEVIN (?) told ERNA ROSENBERG she had been away and had returned late Sunday night. After a discussion of local politics, ERNA remarked ALLAN had gone to Cleveland over the 4th with the Lawyers Guild convention and had quite a good time; that it was different now that he wasn't working for the government. Anything went and he had such a free feeling and the resolutions passed were so satisfactory to him. JANIE said in the government you never could do anything. She said the JAMES NEWMANS had a palace they walked into in Connecticut north of New Haven which they rented from some friends of theirs. JIM NEWMAN had ulcers and was getting along splendidly on the shore. ERNA and JANIE made a tentative engagement for ERNA to come over to the LEVINS a week from Friday for dinner. (u)

On July 11, 1946, ERNA was told by her husband ALLAN he had called MANNY ~~X~~BECKWITH (phonetic) that morning in Boston, and MANNY had reported that Dr. LOUIE SPECHT (phonetic) died in St. Louis. SPECHT was a brother-in-law of BILL ~~X~~KOPILOVITZ, and BILL went to St. Louis to attend the funeral. (u)

Shortly after this conversation ERNA ROSENBERG ascertained the address of the KOPILOVITZES as care of BECKWITH, Pimlico Pond Road, Mashpee, Massachusetts. (u)

On July 12, 1946, ALLAN told his wife that ~~X~~TURNER (phonetic) was coming in about 4:30 that afternoon, and ALLAN thought he would have him out for dinner that evening. ALLAN said, "His application has got me bothered." ALLAN said he would not be able to file it as he had planned. (u)

ABRAHAM GEORGE SILVERMAN ~~SECRET~~

The following investigation was conducted by Special Agent H. DUDLEY RAYNE.

The mail cover placed on subject from July 1 to 15, 1946; produced the following results: (X)u

<u>From:</u>	<u>To:</u>	<u>Postmark</u>
Cambridge, Massachusetts	Mrs. A. G. SILVERMAN 2325 15th Street, N. W.	7/1/46

From July 1 to 15, 1946, [REDACTED] furnished the following information concerning the subject's activities. (X)u

On July 1, 1946, SARAH SILVERMAN was in contact with Dr. ISADORE IATTMAN whose offices are in the Alban Towers and received instructions from him as to the type of medicine to give GEORGE who was ill. (X)u

On July 2, 1946, FLORENCE WAGNER was in contact with GEORGE SILVERMAN during which time they discussed various deals for surplus property. FLORENCE advised her husband CHRIS was in Chicago dealing with the Austin Cook Company in an attempt to sell parachutes. FLORENCE advised that CHRIS could be reached in Chicago at Harrison 4300, room 406. (X)u

On the same date GEORGE SILVERMAN was in contact with CHARLOTTE SLAVITT at 2000 F Street, N. W., and wanted to know if Miss SLAVITT could furnish him with samples of the materials used in the parachutes. Miss SLAVITT apparently has access to the parachutes which WAGNER is attempting to sell in Chicago. (X)u

On July 2, 1946, GEORGE SILVERMAN was in contact with CHRIS WAGNER who advised him he was in contact with PAUL R. SIMONS, a prominent Chicago lawyer who he thinks will buy the parachutes. (X)u

On the same date LAUCHLIN CURRIE was in contact with GEORGE SILVERMAN and advised, GEORGE he had seen the minister (believed to be the Brazilian minister) who is very interested. They discussed surplus property, and CURRIE told GEORGE he could tell his people that CURRIE had talked to the very top people and mentioned that the people in the official Brazilian mission were working on the deal. CURRIE wanted to know if Miss SLAVITT was in on the deal and when advised she was, he told GEORGE he should tell her that they were dealing with cabinet members. CURRIE also mentioned he had some Turkish contacts who wanted to know if it could be converted to standard railroad stock; also that he had inquiries from Turkey for practically (X)u

~~SECRET~~

all surplus goods, and it would take two weeks for the prospective buyer to get his letter of credit from Turkey. (X)u

On July 2, 1946, FRANK COE was in conversation with GEORGE SILVERMAN and advised SILVERMAN he had some snarls in the administrative field, and he needed some outside help. They made arrangements for GEORGE to visit FRANK at his home over the following week-end. (X)u

On July 3, 1946, JOE SILVERMAN attempted to contact his brother GEORGE and when advised he was not at home he then conversed with SARAH SILVERMAN. After discussing family affairs, JOE SILVERMAN said that HAROLD GLASSER had obtained FRANK COE's job at the Treasury although it was not permanent. He is at present the acting director of the Monetary Research. SARAH asked if GLASSER would not prefer to be with the Fund, apparently referring to the International Bank, but JOE did not think GLASSER had the necessary training and thought perhaps HARRY WHITE did not want him. According to JOE, BERNSTEIN is now assistant director. JOE and SARAH discussed the sale of HARRY WHITE's house. (X)u

On July 4, 1946, MURRAY LATIMER contacted GEORGE SILVERMAN at which time they had a lengthy discussion concerning the possibility of MURRAY LATIMER's becoming the commissioner of labor statistics at the Labor Department. They were very much concerned about the story in the paper the preceding day dealing with the resignation of A. F. HINRICHS who had been acting commissioner since the resignation of LUBIN. LATIMER said he had seen SCHELLENBACH who was petrified and extremely angry over the story in the paper concerning HINRICHS' resignation. (X)u

According to LATIMER, HINRICHS had become angry because SCHELLENBACH would not appoint him commissioner and resigned on the condition that Secretary SCHELLENBACH would not appoint LATIMER to the job. LATIMER told SILVERMAN he was under the impression that the Secretary would like to appoint him but was afraid that LUBIN and HINRICHS had gotten all of the statisticians and economists in the country down on him and for that reason he could not be confirmed. They then discussed the ways and means by which SILVERMAN could assist in obtaining a position. SILVERMAN promised LATIMER he would go to work and do everything he could through his friends to have SCHELLENBACH appoint LATIMER. (X)u

On July 4, 1946, GEORGE SILVERMAN contacted DAVID WEINTRAUB. GEORGE discussed with him the appointment of MURRAY LATIMER to the Bureau of Labor Statistics and was very upset over the adverse publicity. They also discussed the American Statistical Society in which LUBIN, HARRY WHITE, HARRY MAGDOFF, and IRVING KAPLAN were members. (X)u

GEORGE SILVERMAN was also in contact with FRANK COE on the same date concerning MURRAY LATIMER's appointment to the Bureau of Labor Statistics. (X) u

On July 7, 1946, CHARLOTTE SLAVITT conversed with GEORGE SILVERMAN and advised him she was ready to go ahead on electric motors. Also she was getting contacts for wire and motors. She also mentioned she was suing Western Union for \$40,000 for negligence in delivering a telegram which was two days late. (X) u

On July 9, 1946, JOE GOULD contacted GEORGE SILVERMAN and obtained from him AXELROD's number which was Republic 5600, extension 2979. (X) u

On July 10, 1946, JOE SILVERMAN contacted his brother GEORGE and advised him HAROLD GLASSER was still acting director. He then wanted to know if GEORGE was still interested in the offices. However, GEORGE did not know for certain. (X) u

On July 11, 1946, DAVID WEINTRAUB attempted to contact GEORGE but was advised he was out for the evening. He asked SARAH why they never accepted any of his numerous invitations to visit the WEINTRAUB home. They then made a tentative date to go to the ball game on the following evening. WEINTRAUB then told SARAH he had been fired and he expected to stay fired and since it happened he had been relaxing and vacationing. (X) u

On July 12, 1946, GEORGE SILVERMAN was in contact with FLORENCE WAGNER at which time they mentioned a DAVIS who was in room 244 at the Hay Adams House. FLORENCE agreed she would go down and talk to DAVIS until GEORGE could get there a short time later. It is believed they were attempting to make a deal with DAVIS for some sugar. (X) u

On July 12, 1946, JOE SILVERMAN was in contact with his brother GEORGE at which time they discussed DAVID WEINTRAUB's being fired from UNRRA where he was a deputy general director. They also mentioned the resignation of FRANK COE, and JOE SILVERMAN, who is an employee of the Treasury, said they were hiring a lot of "funny people." GEORGE mentioned he and SARAH thought they would go over to the embassy for a while. (X) u

On July 13, 1946, JOE SILVERMAN was in contact with SARAH and JOE mentioned his recent plane trip to Boston. SARAH said that GEORGE may go to the embassy on the following day. It is believed she was referring to the French Embassy inasmuch as GEORGE works with the French Supply Council and the French Embassy was having a small celebration on July 14, in honor of Bastille Day. (X) u

On July 14, 1946, SOL ADLER contacted GEORGE SILVERMAN and advised him he had just gotten in that morning from China and mentioned he had left. (X) u

his wife in Nanking. GEORGE invited SOL out for dinner. (X)u

On the same date HARRY WHITE contacted GEORGE SILVERMAN and was advised by GEORGE that SOL ADLER had just returned from China. HARRY mentioned he had been in touch with SAM MILLER and wanted to know when they all could get together. GEORGE invited HARRY for dinner but he declined the invitation. However, they did decide to get together the following day. GEORGE told HARRY THAT "LOCK," apparently LAUCHLIN CURRIE, was coming down on the following Tuesday and he would have to spend a lot of time with him. (X)u

Informant further advised HARRY WHITE met with GEORGE SILVERMAN again later the same day. (X)u

b2  
b2D  
[redacted] advised on July 11, 1946, SARAH SILVERMAN was in contact with DOROTHY KAPLAN at which time they made arrangements to have dinner at Napoleons on Connecticut Avenue the following evening and then attend a night baseball game. SARAH also told DOROTHY that HARRY MAGDOFF had been over to their home the preceding evening at which time they discussed DAVE LINTRAUB's being fired from UNRRA and also MURRAY LATIMER who was "dying" to become commissioner of the Bureau of Labor Statistics, and that GEORGE had promised LATIMER he could sound out a few people to help in obtaining the job. However, HINRICHS, the former commissioner, had conferred with SCHWELLENBACH prior to his resignation and resigned only on the condition that LATIMER would not be given the post. (X)u

#### Physical Surveillance

On July 12, 1946, at approximately 11:35 a.m., GEORGE SILVERMAN was observed to enter room 244 at the Hay Adams House and was subsequently overheard discussing with several other individuals the possibility of buying sugar.

At approximately 6:25 p.m., on the same date IRVING KAPLAN and his wife DOROTHY, together with GEORGE and SARAH SILVERMAN, were observed to enter Napoleon's Restaurant at 2649 Connecticut Avenue where they had dinner, and at 8:15 p.m., they were observed to emerge from this restaurant and proceed to apartment 311 at 2325 15th Street which is the residence of the SILVERMANS. The above individuals entered the automobile owned by the KAPLANS bearing Virginia license plates 480-847.

A Washington report in instant case dated May 12, 1946 indicates that HELEN TENNEY on April 30, 1946 got in touch with EVELYN PARANELL whom she later addressed as JACQUELINE. This EVELYN PARANELL is believed to be employed at the French Purchasing Commission. [REDACTED] advised on July 10, 1946, WILLIAM L. ULLMANN received a communication from an individual identified as LARRY LEONARD, Crillon Hotel, Paris, France. In this communication, he advised he had taken an extended automobile pleasure trip through France and Switzerland, that he had called on OSTROW and his wife in Bern. This individual is apparently WALTER W. OSTROW, a correspondent of subject ULLMANN in this case. He also mentioned that Captain ZAP and his wife recently enjoyed a cycling trip through the Provence. LEONARD indicated he has received information recently that tourists will be permitted to enter the Soviet Union at an early date and exclaimed that would be quite exciting. *SSU*

He also advised that Captain ZAP informed him that MARY JANE KENNEY is working for "his" radio station and indicated he was one of the initiating stockholders who met and decided to organize that station. They had been in a position to send them information about France if they wanted it. LEONARD is apparently engaged in writing a book since he indicated he was forwarding to ULLMANN under separate cover "his chapter outline." *S(u)*

[Re: HENRY HOLDSHIP WARE ~~IX~~ u SL

By letter dated July 2, 1946 the Pittsburgh Field Division set forth the following background information on HENRY HOLDSHIP WARE, which was obtained from Allegheny College, Meadville, Pennsylvania, where HENRY WARE allegedly was an instructor previous to 1942.

Dean C. C. HURD advised that they maintained no personnel file for WARE, however, it was noted in the Allegheny College Bulletin for 1941 that WARE received an AB degree from Pomona in 1932 and attended the Plekhanov Institute of National Economy, Moscow, USSR, 1935 to 1936 and that WARE received an AM degree from Columbia in 1939. WARE was employed as an instructor in Economics for the one school year only 1940 to 1941. DEAN HURD stated that the only instructor now at Allegheny College who could furnish any information concerning WARE would be Dr. LONG of the Economics Department.

Dr. LONG stated that WARE came to Allegheny College from Columbia University in the Fall of 1940 immediately after receiving an AM degree and that he taught Economics that school year and upon completion of that year returned to Columbia to work on his Doctor's degree. Dr. LONG stated that he did not know much concerning WARE's background other than the fact that he apparently came from New York City and that his father was deceased. Dr. LONG stated, however, that further background information could be obtained through the Appointment Bureau of Columbia University.

It is to be noted that information had previously been received from [REDACTED] that Miss WASSERMAN would arrive in Washington, D. C. on that date and that she planned to stay with MARY JANE KEENEY, 215 B Street, N. E. *b2b7D*

Accordingly, Special Agents COURTLAND J. JONES, E. H. HUNTER, and FRANK STRONG took over the surveillance of subject at 12:30 P.M. at which time she arrived in Washington, D. C. Special Agents FRANK O'BRYEN and GEORGE SULLIVAN of the New York Office had accompanied Miss WASSERMAN to Washington. WASSERMAN was met by MARY JANE KEENEY at the entrance of Union Station and they proceeded to the KEENEY apartment at 215 B Street, N. E. At 1:10 P.M. URSULA WASSERMAN to leave the Congressional apartment building and to walk to a near-by thoroughfare. At this time WASSERMAN bid ~~KEENEY~~ farewell and entered a taxicab and proceeded to the Willard Hotel located at Pennsylvania Avenue and 14th Street, N. W. WASSERMAN met an individual, later identified as CAROLYN BERNHARD, and they entered the Willard Room of the Willard Hotel. Information relative to CAROLYN BERNHARD's background has been previously set forth.

At 12:30 P.M. CHARLES BERNHARD, CAROLYN's husband, joined the group and they partook of cocktails. At 12:35 P.M. an individual later identified as JESUS PINERO, delegate to the House of Representatives from Puerto Rico, joined the group. They proceeded to consume numerous cocktails and at 4:00 P.M. an unidentified man joined the group for approximately one half hour. He left the group and was placed under surveillance but it was unsuccessful. He is described as: height, 5 feet, 7 inches; weight, 150; gray hair; receding forehead; was hatless; gray suit; white shoes; about 50 years of age.

At 6:05 P.M. WASSERMAN, Mr. and Mrs. BERNHARD, and JESUS PINERO departed from the Willard Room and proceeded by cab to the Statler Hotel where they entered the office of the Eastern Air Lines. At 6:55 P.M. they departed from the Eastern Air Lines and proceeded by cab to the Washington National Airport where they dined in the coffee shop. WASSERMAN departed on the Eastern Air Lines flight number 520B for New York City at 7:55 P.M. Special Agent CHARLES BEALL of the Washington Field Office telephonically furnished this information to Special Agent L. M. BEST of the New York Office at 7:30 P.M.

Following the departure of WASSERMAN from the National Airport Special Agents ORVILLE TALBUTT, COURTLAND J. JONES, and VINCENT HUGHES surveilled the BERNHARDS and JESUS PINERO. They proceeded by cab to 1901 16th Street, N. W. where PINERO entered Apartment No. 101 which is listed to J. T. PINERO. Mr. and Mrs. BERNHARD walked from the vicinity of 1901 16th Street to the Washington House, 2120 16th Street, N. W. where they were observed to enter Apartment 702 by Special Agent COURTLAND J. 57D [REDACTED] (u) has made available the following information pertaining to URSULA WASSERMAN:

On June 27, 1946 URSULA WASSERMAN conversed with MARY JANE KEENEY and stated that she was coming to Washington the following Monday and that she desired to contact DANIEL MELCHER of the National Committee on Atomic Information.

On July 1, 1946 URSULA WASSERMAN contacted CAROLYN BERNHARD at the Treasury Department. CAROLYN stated that she received URSULA's

SECRET

WFO 100-17493

postal card about a week ago which probably came by diplomatic pouch. URSULA stated that she had seen ELMER in New York and CAROLYN and URSULA discussed the gossip pertaining to ELMER's daughter, her divorce, and her love for a much older man.

CAROLYN stated that she had seen JACK recently and that he called her up at 2:00 A.M. and came up to their apartment for drinks. CAROLYN continued that JACK became inebriated and proceeded to make love to her at which time "CHUCK" BERNHARD walked in from the other room. URSULA stated that JACK flew to Puerto Rico about a week ago to see MARTHA. URSULA stated that she is looking for a job, has had an offer from United Nations, and that she does not desire a position with the P.A.C. CAROLYN suggested that she contact JESUS PINERO at the Capitol.

WASSERMAN also related to CAROLYN BERNHARD that she recently returned to the United States from South America and that she stopped over at Puerto Rico on her way back. While there she attempted to contact her friends, the DILANOS, VERNOS, and AMBROSE (phonetic), but was unsuccessful in doing that.

CAROLYN inquired of URSULA WASSERMAN if MARY helped her meet any people in South America and URSULA said "No", that "Mary has a very bad reputation in all anti-Fascist circles down there".

URSULA WASSERMAN and CAROLYN BERNHARD made arrangements to get together the following afternoon at one and have cocktails in the Willard Room in the Willard Hotel.

On the same date [REDACTED] advised that URSULA WASSERMAN contacted JESUS PINERO at the Capitol at which time she advised him that she had stopped at an "island" en route from South America. She invited him to attend a luncheon at 12:30 P.M. the following day at the Willard Hotel. PINERO accepted the invitation.

CAROLYN BERNHARD and URSULA WASSERMAN again conversed on the same date at which time CAROLYN invited her over for an hour or so. WASSERMAN declined the invitation and stated that she had seen DANIEL MELCHER but that they had been unable to come to any conclusion. URSULA related that she was very anxious to see "CHUCK" BERNHARD as he was her only hope for a position in Washington, D. C.

On July 2, 1946 URSULA WASSERMAN attempted to reach PHILIP

~~SECRET~~

NASH at the White House but was informed he is with the Department of State. She contacted him at the Office of International Information and Cultural Affairs and asked to see him sometime that afternoon. NASH stated that he would be free at 3:00 P.M. and URSULA advised that she would see him sometime before she returned to New York. URSULA also asked how she could reach MERL COLBY. NASH replied that he is at the Office of War Mobilization and Reconversion. Shortly thereafter URSULA WASSERMAN attempted to reach Mr. COLBY at the Office of War Manpower Reconversion but he was not available. Later COLBY contacted WASSERMAN and stated that he is now working for Mr. STEELMAN. WASSERMAN expressed a desire to contact him before she left town and COLBY related that his office is located in Room 1241, Reconstruction Finance Corporation Building, 15th and I Streets, N. W. COLBY said that he would be free after 2:30 P.M. on that date.

URSULA WASSERMAN also attempted to reach BELLE MAYER at the Treasury Department but she was unavailable.

Concerning MERL COLBY and BELLE MAYER, information pertaining to the background of these individuals has been set forth in a previous report.

DANIEL MELCHER, with whom URSULA WASSERMAN conversed at the apartment of MARY JANE KEENEY on the night of her arrival in Washington, D. C., was formerly employed by TED GAMBLE in the Treasury Department but resigned in January, 1946 to accept the position as treasurer of the National Committee on Atomic Information. The Washington Field Office is currently conducting an investigation regarding the Communist influence on the National Committee on Atomic Information and while there has been no evidence that MELCHER is a member of the Communist Party he is known to have two members of the Party employed in his office as assistants. Recently he has been under attack by the executive committee of the National Committee on Atomic Information which many observers feel are too far to the left wing. MELCHER is also known to have contacted ARTHUR STEIN, who is believed to be the leading Communist of the Government underground group in Washington, D. C., and to have asked his advice as to how he could best meet the attack that he, MELCHER, leaned toward the Communist Party Line.

PHILLO NASH, whom URSULA WASSERMAN contacted, resides at 1701 Swann Street, N. W., Washington, D. C., telephone Adams 6030. The indices of the Washington Field Division reflect that LOUISE BRANSTEN, who is under investigation in the Conrap case, personally called upon PHILLO NASH in January, 1944 when he was employed in the Social Security Building.

~~SECRET~~  
NASH was born in Wisconsin Rapids, Wisconsin, April 25, 1908 and spent his early life in Wisconsin Rapids. He attended the University of Wisconsin and received an A.B. degree in 1932 having majored in sociology and anthropology. He received his Ph.D. from the University of Chicago in 1937. He was employed as a social science research worker until he received a position in May, 1942 with the Office of Emergency Management. On June 25, 1943 he became a principal information specialist with the Office of War Information, Domestic Branch, Office of the Treasurer. In this position he was responsible for the problem of dealing with minority groups, foreign language groups, propaganda, and related activities in handling all correspondence on racial matters as received by the director of the Office of War Information.

A lead set out by the Washington Field Office June 10, 1946, to determine the background and activities of DOROTHY TUCK who was reported by informant [redacted] to have contacted ~~MARY WHEELER~~ on May 28, 1946. DOROTHY TUCK advised at that time she could be reached at Emerson 3053 (x)(u)

An appropriate pretext determined that DOROTHY TUCK is residing at 4242 39th Street, N. W., and that she spells her name DOROTHY TUCH instead of TUCK. She is unemployed, is married to LAWRENCE C. TUCH, and has two children.

A review of the Washington Field Office files indicates she was a speaker on May 15, 1945, at the MacArthur Boulevard Food Forum sponsored by the Women's Auxiliary of the United Federal Workers of America, CIO. She is acquainted with FRANCES JACOBSON of the CIO Maritime Committee and has contacted ELEANOR DRIESEN of the CIO Maritime Committee. DOROTHY TUCH has been active in the OPA Food Committee and apparently follows the party line. There is no indication she holds a Communist Party membership card.

A Boston Field Office report on June 12, 1946, by Special Agent BRENTON S. GORDON reports the identity of one BERG, that office having been requested by the Washington Field Office to determine the identity of this person at 112 Boston University, Westover Field, Springfield, Massachusetts, who corresponded with Mrs. DONALD WHEELER on December 10, 1945. The report indicated this individual is Sergeant KENNETH D. ~~BERG~~, Army serial 19,145,902, 112th Base Unit, Westover Field, Massachusetts. His home is Lake Bronson, Minnesota. He was discharged on February 18, 1946, at Fort Devens, Massachusetts.

b7E  
It was noted with regard to subject ROBERT THATCHER MORSE an individual BERG is mentioned [redacted] Since he might be identical with KENNETH D. BERG, a lead is being set forth to have the St. Paul Office conduct additional background investigation.

A report dated July 11, 1946, by Special Agent H. WAYNE SIMNEY at St. Louis, Missouri, advised they had identified HUNTER HARTWELL MORRISON as requested by this office on June 10, 1946. HUNTER MORRISON was discharged from Fort Meade, Maryland, and his permanent address is believed to be 622 Milledge Circle, Athens, Georgia. He is a contact of DONALD WHEELER and his family.

On July 12, 1946, a Credit Bureau check on ARMSTEAD COLEMAN, wife MARION, a relative of the WHEELERS, disclosed they resided as of June 1,

1946, at 1822 North Kenwood Street, Arlington, Virginia. He is 34 to 35 years of age, white, married, and has one child. He has resided at his present address for the past six months (as of June 1) and he is presently buying that property. He came from New York City, formerly residing at 3615 Greystone Avenue. Before moving to Arlington, Virginia, he had previously resided at 1740 Wisconsin Avenue. COLEMAN is a commercial artist and as such has been employed since July 19, 1943, by HENRY J. KAUFMAN and Associates Advertising Firm, Homer Building, Washington, D. C.

The credit check revealed he is highly regarded by his employer and receives a good salary. He was formerly employed at the Army Map Service as an art lithographer from October 2, 1945, until resigning to take his present job. His wife is unemployed. When he resided in New York City, he was connected with Green Brodie, Inc., 485 Madison Avenue, New York City. He left New York City in August, 1941.

Reference is made to a lead for the Washington Field Office to identify JAMES C. and DOROTHY R. WILSON of 1026 16th Street, N. W., or 3726 Connecticut Avenue, N. W., who loaned their car to friends of the WHEELERS when the friends visited the WHEELERS in Washington, D. C. The records of the Credit Bureau showed JAMES C. and DOROTHY R. WILSON as residing at 3726 Connecticut Avenue, Washington, D. C. JAMES C. was born 1915. He is white, married, and has no children. He formerly lived in Quincy, Massachusetts, on March 15, 1943, and he resided in Boston, Massachusetts, on January 22, 1943. He formerly resided at 3814 T Street, N. W., with his parents Mr. and Mrs. GEORGE B. ROTH; in Quincy, Massachusetts, he resided at 64 President's Lane.

DOROTHY R. WILSON is a graduate of the University of Michigan; she is unemployed. JAMES C. is employed in the U. S. Department of Justice as a special attorney, Anti-Trust Division, where he has been located since December, 1942. He formerly was employed in the Department of Justice at Boston as secretary to Mr. LAWRENCE PROCTOR. He was a lieutenant (j.g.), USNR, and entered the naval service in August, 1942.
